WORK EXPERIENCE

UI/UX INTERN

CodeXslinger , Pune   Jan 2025 - Mar 2025

Assisted in designing responsive web and mobile interfaces using Figma and contributed to the launch of 3 client-facing projects.
Conducted user research and conceived wireframes and interactive prototypes to enhance usability and streamline workflows.
Collaborated with developers and product managers to introduce design improvements, increasing client satisfaction by 25%.
Revamped outdated UI components and overhauled design inconsistencies to ensure a cohesive user experience.

PROJECTS

EMPLOYEE MANAGEMENT SYSTEM   Feb 2025 - Apr 2025

Invented a web-based system with full CRUD functionality using JSP and MySQL, eliminating 40% of manual administrative work.
Built user-friendly modules for login, salary tracking, and employee data, which streamlined operations and transformed efficiency.
Spearheaded testing and bug resolution to ensure smooth deployment and achieved a 30% improvement in admin performance.

SMART FARMING SYSTEM   Jan 2025 - Mar 2025

Designed a user-centric, responsive UI for both web and mobile platforms using Figma.
Improved user flows and introduced new interaction models, driving a 25% boost in engagement.

Collaborated with cross-functional teams to effect UI consistency across the platform, strengthening user retention by 15%.

PORTFOLIO PROJECT: BUSINESS WEBSITE   Nov 2024 - Nov 2024

Conceived and engineered a multi-page business website for the fictional brand Amora, using HTML, CSS, and JavaScript.

Strengthened user engagement by 30% via intuitive layout and cross-device compatibility.

Integrated interactive modules like a dynamic contact form and animated product showcase, which tripled average user interaction and upgraded the overall site appeal.

PARALLAX SCROLLING WEBSITE   Dec 2024 - Dec 2024

Developed and implemented a responsive multi-section parallax website using HTML5, CSS3, and JavaScript, increasing session duration by 35%.

Innovated with manual scrolling and animated backgrounds to captivate users and expand engagement.

Optimized site speed and SEO performance, accelerating load times by 25% and improving visibility.

EXTRACURRICULAR ACTIVITIES

ATTENDED INTERNET GOVERNANCE WORKSHOP   Jan 2025 - Feb 2025
C-DAC, Pune
